

There are factories, and there are distributors. Then there is TRUSTONE. We are the factory and we stock our material in North America. There is great benefit in working direct with a manufacturer. But there are greater advantages when your supplier is also based in North America.

## **FOUR BIG REASONS TO CHOOSE TRUSTONE**

### **WE ARE THE FACTORY!**

We are the manufacturer of all our natural stone products. We have also recently invested in a full Glass mosaic production line, making us one of very few manufacturers of Glass Mosaics in Turkey. We can ship direct from our factories, or from our warehouses in Toronto at the lowest prices GUARENTEED. With state of the art, multiple production lines in 2 factories, our large production capacity puts us in the top 5% of all stone suppliers in Turkey. Using the most efficient methods and machinery to produce our products, we are able to achieve the lowest costs in the industry and this savings is passed on to our clients.

### **STOCK ON HAND READY TO SHIP**

We keep large inventory in two Toronto area warehouses, totaling 120,000 sqft of space, to meet the urgent needs of our distributors. Our inventory consists of over 300 unique and essential Tiles, Stone & Glass Mosaics, Pavers and Split Face that can all be combined into single loads. Our products are within day's reach of your facility.

### **CONSISTANCY = QUALITY**

For a distributor, quality can make or break their reputation. As all our stones are manufactured by us, our consistency in quality is carefully controlled. Although each stone has its unique variation, our selection process insures that you receive consistently varied stone. All of our products come professionally packaged with hard plastic edge protectors to create an ease of handling, avoid breakage & sorting, as well as to give the product a more formal image.

### **LARGE SELECTION OF THE MOST DEMANDED PRODUCTS**

We have a large selection of stones that we quarry ourselves, as well as ship-in from various quarries around Turkey. From well known stones like Ivory, Noce, Carrera, Bursa Beige, Emperador to Navona and Saturnia , TRUSTONE can be your complete supplier of Tiles, Mosaics, Pavers & Split Face.

### **PARTNER DIRECT WITH A RELIABLE MANUFACTURER.**

**Instead of using agents and middleman to source your natural stones, reach us direct.**
